

The 12 Days of Christmas

An Attendance Initiative in St Paul's

It will run over 12 school days with the objective of highlighting the importance of good attendance in school.

We will be tracking overall attendance rates, celebrating improved attendance and rewarding top attendees and classesbut mostly, having a bit of fun!

The 12 Days of Christmas will run over the first 12 school
days of December:

Monday December 2nd - Wednesday December 18th.

(Monday Dec 9th students are not in school!)

We want to highlight the importance of being in school every day - not just so students can achieve academic success but also so that they can learn to be active members of their community, build relationships and find their own voice.

You must.... Be In To Win!!!

Every day there will be opportunities for students in attendance to win spot prizes ranging from selection boxes and sweets to free lunches and One4All vouchers!

There will be rewards for top attendees, improved attendees, best overall class attendance and at the end of the week there will be one ultimate prize winner and one class group in both junior and senior cycle.

Ms Dowling will be awarding the hardworking parents with prizes too, we need your support!
